Connecting to Fundist.org API – Optional systems

Contents

Change History

1.00	13 Feb 2013	Game systems from third parties
1.01	21 Aug 2014	Added NetEnt system code and notes
		Replaced Game Code table with reference to Game/Categories and Game/List API requests
1.02	02 Dec 2014	Added missing BetSoft system code
		Changed NetEnt notes to reference dedicated specification

Appendix O1. Merchant system IDs

System ID	System name
894	Spotoption Demo *(requires also Demo=1)*
991	BetSoft
992	NetEnt
994	Spotoption
996	Sheriff Gaming / BlueGem (out of service)
997	Microgaming

Appendix O2. Redirect page codes

Fundist.ORG does not provide static list of games any more. Please consider using **Game/Categories** and **Game/List** API requests to retrieve actual game list, include Page parameter codes for **User/DirectAuth** and **User/AuthHTML** requests.

Appendix O3. NetEnt notes

- Please request a dedicated NetEnt integration specification.

Appendix O4. Spotoption notes

- Please request additional Spotoption integration document from our Support Team, if not provided

Appendix O5. Microgaming notes

- Test environment is in Demo mode – user balance is not used, no game stats
